11.—On the receipt of a similar application,
orders will be given to stop payment
of a Money Order, or to renew a lapsed
Order. The additional Commission in the
last case will be deducted from the amount
of the new Order. Lapsed Orders must be
presented with the application for a new
Order.

12.—But when it is desired that any
error in the name of the Remitter or Payee
should be corrected or that the amount of
Money Order should be repaid to the
Remitter, or that a Lapsed Order should
be renewed for payment in the Country in
which the Order was originally drawn,
application must be made to the Chief
Money Order Office of each Country. This
application must be accompanied by an
additional Commission, unless it have re-
ference to a Lapsed Order, in which case the
Commission will be deducted from the
amount of the New Order.

13.—Repayment, whether of an original
or renewed, or a duplicate Order, will not
be made to the remitter until it has been
ascertained that the advice has been can-
celled at the Office on which the Order was
originally drawn.

14.—Payment of an Order must be ob-
tained before the end of the Sixth Calendar
Month after that in which it was drawn
for instance, if drawn in January, payment
must be obtained before the end of July,
otherwise the Order will become lapsed,
and a new Order (for which a second Com-
mission, to be deducted from the amount
of the Order, will be charged) will become
necessary.

15.—If an Order is not paid before the
end of the Twelfth Calendar Month after
that in which it was drawn,—for instance,
if drawn in January and not paid before
the end of the following January—all claim
to the Money will be forfeited, unless,
under peculiar circumstances, the Post
Office of the Country in which the Order
was drawn think proper to allow it.

16.—After once paying a Money Order
by whomsoever presented, the paying Office
will not be liable to any further claim.

If a wrong payment, however, be made owing
to negligence on the part of any Officer of
the Post Office, the Postmaster General of
the Country or Colony in which the negli-
gence occurs will, if he sees fit, require the
Officer in fault to make good the loss.

17.—No Money Order will be paid unless
the advice has been previously received.

18.—Additional Rules for greater secu-
rity against fraud, and for the better work-
ing of the system generally will be made

19.—Should it appear that Money Orders
are used by mercantile men, or others,
either in the United Kingdom or at Hong-
kong, Shanghai, or Yokohama, for the
transmission of large sums of money, the
British or Colonial Post Office, as the case
